Editorial Firewall Policy

Approved February 14, 2026 — Version 1.0

1. Separation of Functions

Operational, fundraising, and editorial methodology functions shall remain structurally separate.

2. Methodology Authority

Editorial methodology is governed by documented rules and version control. Changes require:

- Written proposal
- Public documentation
- Board acknowledgment

3. No External Direction

No donor, sponsor, board member, or staff member may override verification thresholds or publication rules.

4. Audit Mechanism

Periodic internal audits shall verify adherence to documented methodology.

CONFIDENTIAL — For Board Use Only
